

**Cutting jumper for surface mounting**

Part No.: **MJ-2010、MJ-3216**

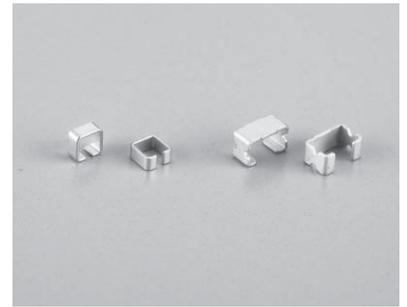

- After mounting on the PCB for short-circuit, it is possible to make an open circuit once the short circuit becomes unnecessary.
- This can also be used for checking.
- Material: Copper
- Finish: Tin plating over nickel base
- Rated current: 2A

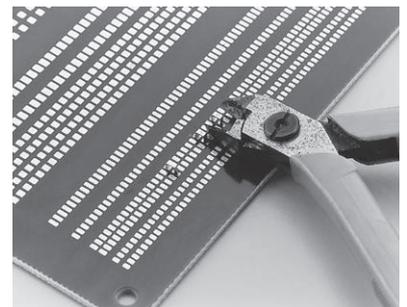

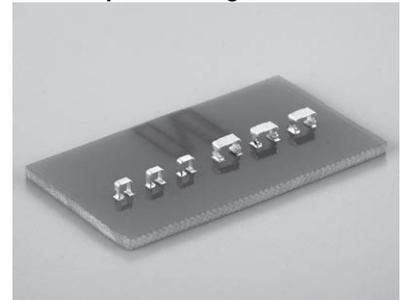

MJ-2010

MJ-3216

■ Example of usage

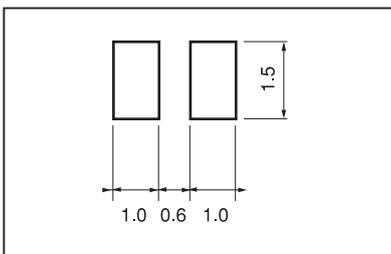

Cut it by using a nipper when it becomes unnecessary

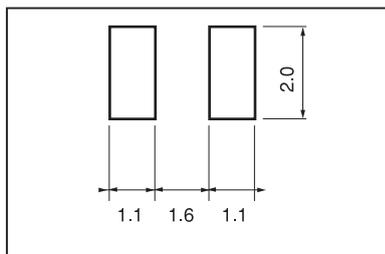

■ Part No.

Part No.	Package
MJ-2010	Bulk (1000pcs/pack)
MJ-2010-T	Reel (1500pcs/reel)
MJ-3216	Bulk (1000pcs/pack)
MJ-3216-T	Reel (700pcs/reel)

■ Recommended land information
